# Define and brand your bed with **TWINDRIVE® Accessories**

Massage Motor

Bluetooth2LIN box

USB Connector

TWINDRIVE accessories set your bed apart with unique value adding features. Features ensuring differentiation and branding and at the same time, comfort and value for the end-user.

With TWINDRIVE accessories you can create a more streamlined look by integrating USB connectors into the bed to charge laptops and mobile phones thus avoiding additional chargers. And, use an Apple device as hand control for the complete bed by connecting a Bluetooth2LIN box and download the LINAK Bed Control app. Through plug & play simplicity it is easy to bring light to the bed via the LED Lightbox or integrate massage motors on the bed – without adding an extra control box or wiring.

## Bluetooth2LIN box

It is possible to adjust your TWINDRIVE bed with a smartphone. Connect the Bluetooth2LIN box directly to the TWINDRIVE motor unit, download the LINAK Bed Control app from App Store in order to control the complete bed via an iPhone, an iPad or an iPod.

LED Lightbox

DC Connector

### USB connector example

The USB connector opens the door to the world of accessories with an USB plug. Avoid cables – charge the smartphone or tablet via the USB connector.

### DC connector example

The DC connector box makes it possible to connect any standard unit with a DC plug, e.g. a LED light rail, which can then be switched on and off via the standard control.
